The International Certification Bio Suisse AG (ICB) confirms compliance with the Bio Suisse standards

Bio Suisse certified until 31.12.2015:

Processing (cutting, slicing, drying, sterilizing, grinding, milling, blending) and trade of raw materials conforming to Bio Suisse standards (only monoproductions)

Production of Cold Pressed Coconut Oil from Bio Suisse approved raw materials (monoproductions)

Production of soymeal from Bio Suisse approved raw materials

The decision is based on documentation provided by the following inspection/certification body: Aditi Organic Certifications Pvt. Ltd., Bengaluru – 560 010

**approved
by BIO SUISSE**

The operation may use the logo "approved by BIO SUISSE" on its products (including on its website, on containers, delivery notes, invoices, etc.). The logo can be downloaded as a .jpg file from the ICB website (www.icbag.ch). Products that have been certified by ICB as "in conversion" must also be clearly labelled as "in conversion" products.

This certificate will only be valid for the same period as the organic certificate issued by the aforementioned inspection body and only for the duration of the contract of inspection with that same body. This document is the property of ICB. It can be reclaimed at any time should the Bio Suisse standards be violated. The certificate does not entitle the holder to use the Bio Suisse Bud label, nor does it guarantee marketing product in Switzerland. When domestic supplies are sufficient Bio Suisse is obliged to restrict imports. ICB certificates will be put online at easy-cert.
